NEWS RELEASE

Eurasian Minerals Announces Grant of Stock Options and Share Issuances

Vancouver, British Columbia, April 28, 2014 (TSX Venture: EMX; NYSE MKT: EMXX) – Eurasian Minerals Inc. (the “Company” or “EMX”) announces that pursuant to the Company’s Stock Option Plan, an aggregate of 1,531,000 incentive stock options, exercisable at a price of \$1.20 per share for a period of five years, has been granted to officers, directors, employees and consultants of the Company.

The Company also announces that it intends to issue an aggregate of 300,000 common shares in lieu of cash remuneration to two non-executive employees and a consultant, subject to TSX Venture Exchange and NYSE MKT approval. An aggregate of 300,000 will be issued over a period of two years, with the initial tranche of 100,000 shares being issued upon final receipt of TSX Venture Exchange and NYSE MKT approval, and a further 100,000 on each of the first and second anniversaries. All such shares will be subject to restrictions on transfer for a period of four months from issuance.

About EMX. Eurasian Minerals Inc. is a royalty generator with a growing portfolio. Eurasian leverages asset ownership and exploration insight into partnerships that advance our mineral properties where EMX retains royalty interests. EMX complements its generative business through strategic investments and third party royalty acquisitions.

Forward-Looking Statements

This news release may contain “forward looking statements” that reflect the Company’s current expectations and projections about its future results. When used in this news release, words such as “estimate,” “intend,” “expect,” “anticipate,” “will” and similar expressions are intended to identify forward-looking statements, which, by their very nature, are not guarantees of the Company’s future operational or financial performance, and are subject to risks and uncertainties and other factors that could cause Eurasian’s actual results, performance, prospects or opportunities to differ materially from those expressed in, or implied by, these forward-looking statements. These risks, uncertainties and factors may include, but are not limited to: unavailability of financing, failure to identify commercially viable mineral reserves, fluctuations in the market valuation for commodities, difficulties in obtaining required approvals for the development of a mineral project, increased regulatory compliance costs, expectations of project funding by joint venture partners and other factors.

Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date of this news release or as of the date otherwise specifically indicated herein. Due to risks and uncertainties, including the risks and uncertainties identified in this news release, and other risk factors and forward-looking statements listed in the Company’s MD&A for the twelve-month period ended December 31, 2013 (the “MD&A”) and most recently filed Annual Information Form for the year ended December 31, 2013 (the “AIF”), actual events may differ materially from current expectations.
